My dear friends and family,

First of all I would like to thank all of you who partnered with me and gave financially and through prayer for the Amazon Outreach 2007. THANK YOU!!! Without your prayers and financial giving, all that happened this summer in the Amazon would not have been possible.

This outreach was special to me because I was able to see the fruit of our mobilization efforts. For the past 3 years I have been speaking and sharing the vision of reaching unreached people groups in the Amazon in the little town of Hazlehurst, Mississippi. Networking with COMINAD and the COCHUSA church, I had been given the opportunity to share the vision of AAMS and the importance of the work that we are doing in the Amazon region of Leticia, Colombia through video presentations, workshops, and wonderful dinner conversations (those MS ladies cook a “mean” meal!). One woman, Brenda Hopkins, came forward after 3 years with a broken heart to let me know that she could no longer resist the command to go to the nations. She said that she must go on the Amazon Outreach 2007. What touched my heart was her willing obedience to go to a place that would challenge her in every aspect of her life just because she now understood that God was commanding this of her. Now that is faith!

In my role as outreach leader, facilitator, and counselor, we networked once again with Amazon Ministries International to participate by serving them during their pastor and leadership conference and evangelistic crusade “Explosion 2007”. What a perfect opportunity for Brenda to catch a vision of God’s heart for the people in this region of the world. The “theme” of our outreach was (2Co 10:4 and 5 Webster) “(For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds ;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;”

To see Brenda grow and change each day by learning to trust God in learning new skills in swimming, evangelism, prayer walking, riding in various different kinds of boats, living in a tent, and eating new foods, would thrill any outreach team leader’s heart (She even picked up a bit of Spanish ☺). Even though at times it was very difficult, her willing spirit helped her to overcome her fears and to fall in love with the people and the work of the mission. Watching her taught me even more how to better train and how to prepare others for reaching the last frontiers, the unreached!

I do not know what God’s future work for Brenda will be in the mission of advancing God’s Kingdom on earth but, I do know that her steps of faith have allowed her to experience a new dimension in kingdom living. YOU GO BRENDA!!!

**Prayer Request 1:** I am networking with a couple from Wycliffe on getting a New Testament translation of the Bible in Yagua to take with me this next summer. It will be on an audio player so that the people will not have to wait to learn to read before they can hear the Bible in their own heart language. Pray that it will be ready by June 2008.

**Prayer Request 2:** This next summer I will be participating with 2 outreaches one to the Amazon and the other to Benin West Africa. To serve on both will cost close to \$7,000.00. Please pray that God will reveal creative ways to raise the finances to do these outreaches and not be a burden on the people that we are serving.

Adventuring with Christ,  
Min. Orchidy T. Boyd  
AAMS Director
